Mr. Le Corre,

Good afternoon. I'm Assistant Legal Attaché Adam Rogalski – one of the FBI representatives in Beijing. Your email to Beijing ACS from September 10, 2021 was passed on to me. I would be interested in the information you have to provide. Please let me know what you are comfortable sharing over email or telephone. If possible, could you also provide the details of the US company/companies allegedly in violation of US law and a general sense of the criminal activity? Depending on the nature of the information we could discuss further arrangements going forward. Can you also send me a copy of your ID cards? Hope you are well and thanks again for contacting us.

Adam
